## **Social Distancing combats the Virus**

**Test and Trace, Face Masks and Hand gel are all still needed**

If you have been at Mass and later test positive for coronavirus you need to ring or text 07752229704 so that other parishioners can be warned to: avoid contact with people at high risk from coronavirus, take extra care in social distancing and good hygiene and watch out for symptoms. The parish will assist NHS Test and Trace if they request the contact details of those who attended that Mass.

**REMEMBER** there is a one-way system to help keep us all safe. We use the main aisle to come in and the side aisle to come up to Communion. Collection baskets are on the way out.

**Please sit in alternate benches and leave at least a metre between your group and others.**

---

**Communion** - Please come forward down the **side aisles** leaving at least **1 metre space** between you and others. Hold your arms out "full stretch". If anyone would like a blessing then please put your right hand on your left shoulder. We leave using the main aisle sanitising our hands on the way out.

---

**To reduce the chance of infection, please take this leaflet home with you. Do not leave it in Church.**
